## COCKTAILS

### ***Passion Mojito 12***

A twist on a holiday favourite. Like the classic we start with muddling fresh lime and sugar, add in white rum and fragrant mint, and then give it an island getaway feel with passion fruit pulp and a dash of soda. Also available in other fruit flavours, please ask our staff for current fruit available.

### ***Strawberry Daiquiri 12***

A summer essential, taking the Cuban classic of white rum, lime juice and sugar syrup, blended with ice and pureed strawberries. Also available in other fruit flavours, please ask our staff for current fruit available.

### ***Strawberry Fields 12***

We have taken our new favourite cider, Koppaberg Strawberry and Lime and spiked it with a blend of the smooth vanilla tastes of Licor 43 and the spice of Captain Morgans Spiced Rum, a real winner.

### ***Mojito 12***

This Cuban classic needs no introduction! A refreshing combo of lime, mint, white rum and sugar lengthened with a touch of soda.

### ***Japanese Slipper 12***

Created in a Melbourne restaurant in 1984, this classic favourite combines the sweetness of Midori and Cointreau, with the tartness of fresh lemon juice, shaken over ice to create a beautifully balanced, easy drinking cocktail.

### ***Cosmopolitan 12***

Vodka, Cointreau, fresh lime and cranberry juice to perfectly balance sweet and tart flavours. Remember to raise your pinkie!

### ***Sex on the Beach 12***

While there are many stories of its origins, it is believed to be invented in the 1980's by a bartender in Florida during spring-break (wink-wink). Whilst being one of the most fun drinks to order, it is its fruity mix of vodka, peach schnapps, orange juice and cranberry juice that has kept this as one of the most popular cocktails in the world.

### ***Caprioska 12***

One for the vodka lovers! Muddled lime and sugar shaken over ice with a healthy dose of vodka, it has the option to be lengthened with soda or enjoyed as is.

### ***Espresso Martini 15***

When a famous supermodel walked into a London bar and stated 'make me a drink that will wake me up and f\*\*\* me up, the espresso martini was born. Ciroc vodka shaken with Kahlua and White Horse espresso, this sophisticated and strong 'drink of style' has become the perfect after dinner drink, or a late breakfast after the night before...

### ***Long Island Ice Tea 15***

Created as an entry in to a cocktail competition in New York in 1972, this unlikely combination of spirits has been a favourite ever since. Containing a shaken mix of Vodka, Tequila, Gin, Cointreau, White rum, sugar syrup and lemon juice, lengthened with cola.
